

1. Choose the correct variant:

Who usually meets the pilot and shows him to the bridge?

- A) the watch officer
- B) master
- C) second mate
- D) medical officer
- E) chief mate

2. Choose the correct variant:

What do usually help the vessels there to navigate safely in lanes?

- A) shore based radar stations
- B) congested waters
- C) fairways
- D) narrow channels
- E) sound signals

3. Choose the correct variant:

What is sometimes necessary to avoid aground?

- A) to make fast
- B) to reduce speed
- C) to take soundings
- D) to carry lights
- E) to be underway

4. Choose the correct variant:

How should a vessel proceed through narrow channels?

- A) with taking no actions
- B) with making fast
- C) with carrying lights
- D) with discharging garbage
- E) with great care, reducing her speed

5. Choose the correct variant:

Who is to determine how much of chain should be paid out?

- A) captain
- B) medical officer
- C) customs officer
- D) pilot
- E) second mate

6. Choose the correct variant:

According to what must the cargo ships give way to passenger and hovercraft vessels?

- A) local regulations
- B) log book
- C) system of light
- D) sound signals
- E) investments

7. Choose the correct variant:

What length of chain is usually sufficient while anchoring?

- A) equal to about 20 times the depth of water
- B) equal to about 15 times the depth of water
- C) equal to about 10 times the depth of water
- D) equal to about 5 times the depth of water
- E) actually, no difference

8. Choose the correct variant:

What should be done to keep the ship securely berthed?

- A) rat guards should be placed on all the lines
- B) the offshore anchor should be dropped
- C) the engine should be ready to underway
- D) the ship should proceed at full speed
- E) the mooring lines shouldn't be watched

9. Choose the correct definition from the given options: draft

- A) commodity cargo that is transported unpackaged in large quantities
- B) a powerful outdoor electric light
- C) dispatching a ship down a slipway, prior to fitting-out and commissioning
- D) the depth of a ship's keel below the waterline
- E) a location in a port or harbor used specially for mooring vessels while not at sea

10. Choose the correct definition from the given options: mooring

- A) a place to moor a vessel
- B) a boat that manoeuvres other vessels by pushing or towing them
- C) an electronic system designed to transmit radio signals and receive reflected images
- D) the more distant part of the sea as seen from the shore and generally beyond anchoring ground
- E) the side of a ship sheltered from the wind

11. Choose the correct definition from the given options: fairway

- A) a navigable channel that is the usual course taken by vessels in the area
- B) a restriction on the size or amount of something permissible or possible
- C) the activity of catching fish, either for food or as a sport
- D) a shrill clear sound
- E) a sudden brief burst of bright light

12. Choose the odd one out from the following words or word combinations:

- A) surveyor
- B) narrow channel
- C) fairway
- D) sound signal
- E) lane

13. Choose the odd one out from the following words or word combinations:

- A) Hawser
- B) Navigational lights
- C) Foremast stay
- D) Searchlight
- E) Bill of Lading

14. Choose the odd one out from the following words or word combinations:

- A) whistle
- B) blast
- C) notice of readiness
- D) aground
- E) pendant

15. Choose the odd one out from the following words or word combinations:

- A) fraud
- B) bearing
- C) tidal stream
- D) ebb
- E) roadstead

16. Fill in the gaps:

_____, the captain must strictly adhere to the Regulations for Preventing Collisions at Sea.

- A) to avoid collisions with other ships
- B) to take a sound signal
- C) to make fast
- D) to carry lights
- E) to be underway

17. Fill in the gaps:

When sailing through narrows or canals a vessel should proceed with great care and _____ her speed.

- A) refuse
- B) reduce**
- C) permit
- D) overtake
- E) impede

18. Fill in the gaps:

Sometimes it is necessary _____ to avoid running aground.

- A) to be stem on to the current
- B) to be underway
- C) to take soundings**
- D) to make the starboard landing
- E) to bump against

19. Fill in the gaps:

To bring the ship to anchor, it is necessary _____ and stop the engine at a proper time.

- A) to slacken speed**
- B) to make fast astern
- C) to swing the bow to port
- D) to take aboard
- E) to steer the course

20. Choose the correct synonym:

mooring

- A) berthing**
- B) draft
- C) launch
- D) searchlight
- E) ladder

21. Choose the correct synonym:

to impede

- A) to permit
- B) to prevent**
- C) to overtake
- D) to anchor
- E) to cross

22. Choose the correct synonym: intention

- A) obstruction
- B) doubt
- C) prohibition
- D) target**
- E) caution

23. Choose the correct synonym: to alter

- A) to change**
- B) to steer for
- C) to arrange
- D) to heave up
- E) to approach

24. Choose the correct variant:

On the way to a port _____ usually sends a radiogram to his agent about the expected time of arrival.

- A) the foreman
- B) the second mate
- C) the crew members
- D) the watchman
- E) the captain**

25. Choose the correct variant:

_____ the agent arranges everything necessary for the immediate berthing of the ship.

- A) within 12 hours of the receipt of information
- B) after 2 hours of the receipt of information
- C) on receipt of this information**
- D) within 24 hours of the receipt of information
- E) after 10 hours of the receipt of information

26. Choose the correct variant:

Whom the agent is advised to inform about the expected time of arrival of the ship?

- A) port authorities**
- B) the captain
- C) consignees
- D) consigner
- E) custom's office

27. As a rule, the _____ helps the captain to hand in notices of readiness to consignees.

- A) agent**
- B) consignee
- C) the second mate
- D) the warehouse staff
- E) foreman

28. If the ship has some extraweights on board the agent secures _____ an adequate shore crane for handling them.

- A) after 2 hours
- B) beforehand**
- C) after 4 weeks
- D) at the same time
- E) after 3 weeks

29. What are the receivers to do if they have to discharge the cargo themselves?

- A) bring the B/L
- B) consult the port authorities
- C) come to the port within 24 hours after the arrival of the ship to the port
- D) make all necessary arrangements for the immediate commencement of work**
- E) come to the port within 12 hours after the arrival of the ship to the port

30. Who is responsible to check the tallying of the goods delivered from the ship?

- A) the agent**
- B) the captain
- C) the Custom House
- D) the sanitary office
- E) the foreman

31. When does the agent together with the captain draw up the cargo plan?

- A) when the ship arrives in port
- B) after starting loading
- C) before starting loading**
- D) when the captain orders for this
- E) when they have time for this

32. The cargo must be carefully considered and approved _____.

- A) by the captain**
- B) by the Custom House
- C) by the Shipping Company
- D) by the stevedore
- E) by the custom's officers

33. In planning the stowage of the goods, the captain gives the first consideration to the _____.

- A) safety of the ship**
- B) amount of money the Shipping Company to be gained
- C) second mate's opinion
- D) proposals of the port authorities
- E) custom's officers order

34. Different kinds of cargo should be stowed in such a manner that they _____.

- A) would be suitable by custom's office recommendation
- B) would easily be distinguished from each other
- C) would not damage the crew members
- D) would be seen from far away
- E) would not damage or affect on another by contact or proximity

35. If the cargo is shipped to several ports, each consignment must be so arranged that it could _____.

- A) be easily and conveniently discharged in an appropriate port
- B) not be easily mixed with other goods
- C) hardly be stolen by any unpredictable situation
- D) be easily and conveniently identified by colors
- E) not be able to damage the crew members

36. Choose the correct definition of the following word: extraweight

- A) additional measures
- B) guaranteed full priced goods
- C) magnificent goods for sales
- D) excessive or bulky goods in transportation
- E) similar weight

37. Choose the correct definition of the following word: stevedore

- A) a person or company employed at a dock to load and unload ships
- B) a person carrying out the tallying of goods' tags
- C) responsibility gained by a person or company to be in charge of counting
- D) a person passing a message about the mismatches of goods
- E) company on which has additional workloads

38. Choose the correct definition of the following word: surveyor

- A) a person who, or device which preserves food by curing
- B) an official inspector of something, especially for measurement and valuation purposes or a person who investigates or examines something, especially boats for seaworthiness
- C) an official body changing the settings of routines
- D) an examiner delivering the latest news
- E) a person responsible for exploring the interior and exterior features only

39. Choose the correct definition of the following word: to draw up a cargo plan

- A) to arrange the unloading operations
- B) the plan sketched by the stevedoring company for offloading operations only
- C) to demonstrate the stored goods' shortage
- D) to make a plan showing the distribution of all cargo parcels stored on board of a vessel for a voyage
- E) to deliver the good directly to the Custom House

40. Choose the correct definition of the following word: disposition of cargo

- A) when a freight shipment shows signs of damage the carrier may recommend that the consignee (recipient) refuse the shipment
- B) the process of issuing the clean receipt
- C) selling the goods directly in the port of arrival
- D) packing the similar goods in one row
- E) changing the market place for goods received

41. Choose the correct definition of the following word: proof

- A) refusal of accepting goods aboard
- B) quick acceptance of proposal given by the Shipping Company
- C) argument or sufficient evidence for the truth of a proposition
- D) actions contrasting the reality
- E) unlawful acceptance of conditions in discharging the ship

42. Choose the correct definition of the following word: laydays

- A) the days kept aside in a ship's voyage schedule for loading and unloading of the cargo
- B) an owner or keeper of the ships far from the main place of dislocation
- C) a finger which is carelessly damaged or injured by cuttings
- D) a person showing the two fingers to confirm the victory
- E) a man threatening people around by carrying guns and ammunitions

43. Choose the correct definition of the following word: seaworthiness

- A) changing the market place for goods received
- B) the process of issuing the clean receipt
- C) selling the goods directly in the port of arrival
- D) packing the similar goods in one row
- E) the fact that a ship is in a good enough condition to travel safely on the sea

44. Sükançıya verilən (Steer on beacon) komandası nə deməkdir?

- A) nişana doğru tutmaq
- B) sükandan çəkilmək
- C) sükanı sağ borta qoymaq
- D) kursu məruzə edin

45. Sükançıya verilən (Keep the buoy on starboard side) komandası nə deməkdir?

- A) buyu solda saxla
- B) indi sağ bortda buy olacaq
- C) buyu sağda saxla
- D) indi sol bortda buy olacaq

46. (Gəminin tərk edilməsi) anlayışını ingilis dilində tərcüməsini qeyd edin

- A) disabled ship
- B) undesignated distress
- C) collision
- D) abandoning ship

47. (Abandoning ship) anlayışının azərbaycan dilində tərcüməsini qeyd edin:

A) gəminin tərk edilməsi

B) saya oturma

C) kil yırgalanması

D) toqquşma

48. (Kren, gəminin çevirilməsi təhlükəsi) anlayışının ingilis dilində tərcüməsini qeyd edin:

A) listing, capsizing

B) undesignated distress

C) grounding

D) abandoning ship

49. (Saya oturma) anlayışının ingilis dilində tərcüməsini qeyd edin:

A) undesignated distress

B) grounding

C) disabled & adrift

D) flooding

50. Choose the correct definition of the following word: to muster

A) to assemble at a specified place

B) to destruct bacteria, vermin by fume

C) to take bearing

D) to dip

E) to clear in

51. Sükançıya verilən (Steer on beacon) komandası nə deməkdir?

A) nişana doğru tutmaq

B) sükandan çəkilmək

C) sükanı sağ borta qoymaq

D) kursu məruzə edin

52. Sükançıya verilən (Keep the buoy on starboard side) komandası nə deməkdir?

A) buyu solda saxla

B) indi sağ bortda buy olacaq

C) buyu sağda saxla

D) indi sol bortda buy olacaq

53. (Gəminin tərk edilməsi) anlayışını ingilis dilində tərcüməsini qeyd edin.

A) disabled ship

B) undesignated distress

C) collision

D) abandoning ship

54. (Abandoning ship) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

A) gəminin tərk edilməsi

B) saya oturma

C) kil yırgalanması

D) toqquşma

55. (Kren, gəminin çevirilməsi təhlükəsi) anlayışının ingilis dilində tərcüməsini qeyd edin.

A) listing, capsizing

B) undesignated distress

C) grounding

D) abandoning ship

56. (Listing, capsizing) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

A) kil yırgalanması

B) saya oturma

C) kren, gəminin çevirilməsi təhlükəsi

D) toqquşma

57. (Saya oturma) anlayışının ingilis dilində tərcüməsini qeyd edin.

A) undesignated distress

B) grounding

C) disabled & adrift

D) flooding

58. (Grounding) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

A) toqquşma

B) saya oturma

C) yanğın, partlayış

D) gəmini tərk etmə

59. (Kil yırgalanması) anlayışının ingilis dilində tərcüməsini qeyd edin.

A) heel

B) pitching

C) keel motion

D) flooding

60. (Keel motion) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

A) kil yırgalanması

B) saya oturma

C) yanğın, partlayış

D) gəmini tərk etmə

61. (Təhlükəli yaxınlaşma vəziyyəti) anlayışının ingilis dilində tərcüməsini qeyd edin.

A) undesignated distress

B) dangerous proximity situation

C) dangerous around placing

D) close quarter situation

62. (Dangerous proximity situation) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

- A) toqquşma
- B) saya oturma
- C) kren, gəminin çevirilməsi təhlükəsi
- D) təhlükəli yaxınlaşma vəziyyəti

63. (Yedək gəmiləri ilə görüş yeri) anlayışının ingilis dilində tərcüməsini qeyd edin.

- A) rendezvous of pilot
- B) meeting with tugs
- C) tug encounter position
- D) rendezvous with tugs

64. (Rendezvous with tugs) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

- A) yedək gəmiləri ilə görüş yeri
- B) yedək gəmilərinin olduğu yer
- C) yanğın, partlayış
- D) idarə etməni itirilmiş gəminin yeri

65. (Toqquşma) anlayışının ingilis dilinə tərcüməsini qeyd edin.

- A) collision
- B) undesignated distress
- C) flooding
- D) sinking

66. (Collision) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

- A) yedək gəmiləri ilə görüş yeri
- B) yedək gəmilərinin olduğu yer
- C) yanğın, partlayış
- D) toqquşma

67. (Yanğın, partlayış) anlayışının ingilis dilinə tərcüməsini qeyd edin.

- A) fire, explosion
- B) undesignated distress
- C) fire, flooding
- D) listing, capsizing

68. (Fire, explosion) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

- A) təhlükəli yaxınlaşma vəziyyəti
- B) saya oturma
- C) kren, gəminin çevirilməsi təhlükəsi
- D) yanğın, partlayış

69. (İdarə etmənin itirilməsi və dreyf) anlayışının ingilis dilinə tərcüməsini qeyd edin?

- A) disabled and a drift
- B) undesignated distress
- C) abandoning
- D) listing, capsizing

70. (Disabled and a drift) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

- A) təhlükəli yaxınlaşma vəziyyəti
- B) saya oturma
- C) kren, gəminin çevirilməsi təhlükəsi
- D) idarəetmənin itirilməsi və dreyf

71. (Depth) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

- A) hündürlük
- B) saya oturma
- C) dərinlik
- D) sürət

72. (Dərinlik) anlayışının ingilis dilinə tərcüməsini qeyd edin.

- A) depth
- B) destination
- C) abandoning
- D) draught

73. (Destination) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

- A) hündürlük
- B) təyinat yeri
- C) dərinlik
- D) suya oturma

74. (Direction) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

- A) istiqamət
- B) təyinat yeri
- C) dərinlik
- D) suda oturma

75. (Visibility) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

- A) istiqamət
- B) görünüş uzaqlığı
- C) dərinlik
- D) suya oturma

76. (Draught) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

- A) istiqamət
- B) görünüş uzaqlığı
- C) dərinlik
- D) suya oturma

77. (Spacing) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

- A) istiqamət
- B) görünüş uzaqlığı
- C) məsafə
- D) suya oturma

78. (Condition of cargoes) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

A) yükün vəziyyəti

B) görünüş uzaqlığı

C) istiqamət

D) suya oturma

79. (Relative swell) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

A) yükün vəziyyəti

B) görünüş uzaqlığı

C) dalğalanma

D) suya oturma

80. (Vessel Crossing) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

A) dönmə əməliyyatını yerinə yetirən gəmi

B) dənizdən limana daxil olan gəmi

C) hərəkət xəttimizi kəsən gəmi

D) limandan dənizə çıxan gəmi

81. (Vessel Inward) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

A) dönmə əməliyyatını yerinə yetirən gəmi

B) dənizdən limana daxil olan gəmi

C) hərəkət xəttimizi kəsən gəmi

D) limandan dənizə çıxan gəmi

82. (Vessel Leaving) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

A) körpüdən çıxma prosesində olan gəmi

B) hərəkət xəttimizi kəsən gəmi

C) dənizdən limana daxil olan gəmi

D) dönmə əməliyyatını yerinə yetirən gəmi

83. (Vessel Outward) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

A) dönmə əməliyyatını yerinə yetirən gəmi

B) dənizdən limana daxil olan gəmi

C) hərəkət xəttimizi kəsən gəmi

D) limandan dənizə çıxan gəmi

84. (Vessel Turning) anlayışının azərbaycan dilində tərcüməsini qeyd edin.

A) limandan dənizə çıxan gəmi

B) dənizdən limana daxil olan gəmi

C) dönmə əməliyyatını yerinə yetirən gəmi

D) hərəkət xəttimizi kəsən gəmi

85. Choose the correct definition of the following word:

laydays

- A) the days kept aside in a ship's voyage schedule for loading and unloading of the cargo
- B) an owner or keeper of the ships far from the main place of dislocation
- C) a finger which is carelessly damaged or injured by cuttings
- D) a person showing the two fingers to confirm the victory
- E) a man threatening people around by carrying guns and ammunitions

86. Choose the correct definition of the following word:

ullage

- A) the amount by which a container falls short of being full
- B) the amount by which a container falls short of being half full
- C) the amount by which a container is being full
- D) the leakage of a container
- E) the eternal occupying of the balance

87. Choose the correct definition of the following word:

to compute

- A) to manage to avoid errors
- B) to overlook the goods control
- C) reckon or calculate (a figure or amount)
- D) to make extra settings in discharging the ship
- E) to happen at the same time

88. Choose the correct definition of the following word:

to drain (tanks)

- A) something, you remove the liquid from it, usually by pouring it away or allowing it to flow away
- B) to reject some conditions of proposals because of unfitness or unsuitability to a concrete situation
- C) to demonstrate the stored goods' shortage
- D) to manage a big team of stevedores
- E) to accept B/L from the agent

89. Choose the correct definition of the following word:

volume

- A) unnecessary wishes to deal with something
- B) changeable weights depending on conditions
- C) goods directly delivered to customers
- D) door-to-door delivery of freight
- E) an amount or quantity of something, especially when great

90. Choose the correct definition of the following word combination:

specific gravity

- A) the ratio of the density of a substance to the density of a given reference material
- B) the process of offloading the goods from the ship
- C) dividing the things into several parts
- D) sharing the same problem among the crew members
- E) listening to the commands of the second mate

91. Choose the correct definition of the following word combination:

certificate of quality

- A) demonstration of sanitary mismatch by documents
- B) a huge amount of goods refused by the Custom House
- C) means the formal document recording seller's laboratory determination of the quality
- D) appraisal of the processes in sequential order
- E) proportion in delivery

92. Choose the correct definition of the following word combination:

certificate of inspection

- A) document given to prohibit the shipment
- B) a document which certifies the good condition of a commodity at the point of analysis or inspection, or prior to shipment
- C) results of counting goods
- D) appraisal of the processes in sequential order
- E) proportion in delivery

93. Choose the correct definition of the following word:

Seaworthiness

- A) the fact that a ship is in a good enough condition to travel safely on the sea
- B) the process of issuing the clean receipt
- C) selling the goods directly in the port of arrival
- D) packing the similar goods in one row
- E) changing the market place for goods received

94. Choose the correct definition of the following word:

shortage

- A) changing the market place for goods received
- B) something is not liable for shipment because of poor quality
- C) selling the goods directly in the port of arrival
- D) packing the similar goods in one row
- E) a state or situation in which something needed cannot be obtained in sufficient amounts

95. Choose the correct definition of the following word:

to verify

- A) to reject some conditions of proposals because of unfitness or unsuitability
- B) to look through after the captain's recommendations
- C) to check something that it is true by careful examination or investigation
- D) to demonstrate the shortage of the stored goods
- E) to manage a big team of stevedores

96. Choose the correct definition of the following word:

fraud

- A) the crime of gaining money or financial benefits by a trick or by lying
- B) changing the settings of the goods purchased
- C) amplifying the weight to be reached
- D) managing the freight easily
- E) demonstrating the proper recipient or address

97. Choose the correct definition of the following word combination:

a letter of guarantee (a letter of indemnity)

- A) a contractual document that guarantees certain provisions will be met, between two parties
- B) a document issue by the local sanitary officers
- C) the goods directly delivered to customers
- D) a door-to-door delivery of freight
- E) a piece of paper showing an unnecessary wishes to deal with something
